Introduction

NHSS 12B Lead Traffic Management Operative LTMO

The finer details

This course will cover:

- The LTMO role
- Health and safety at work
- The working environment and general requirements
- Sector scheme documents and reference documentation
- Traffic Signs Manual Chapter 8
- Design, planning and calculations for TTM closures

- Installing and removing TTM closures
- Temporary speed limits
- Hard shoulder closures
- Total closures
- Accidents and incidents

Who should attend?

All persons who will be required by their employer to work on motorways and or high speed dual carriageways as a Lead Traffic Management Operative, on standard works schemes where temporary road markings **ARE NOT** required, and all works with relaxations.

What will be covered?

On completion of this course the successful learners should;

- Understand the typical roles and responsibilities of the LTMO
- Be aware of the Ch8 requirements for where relaxation can be applied and be able to plan relaxation closures
- Be aware of industry safe working practices
- Have scored a pass mark of 75% or above on the end of course test.

Other areas of interest

To gain the full LTMO supervisor skill, learners must be registered with Lantra Awards as a NHSS12AB General Operative/Non Driver skilled worker category (where both the 12A/B logbook and 12A/B Operative course have been completed and registered accordingly).

To gain a LTMO certificate as proof of training only there are no pre-requisites. The certificate is valid for two years.
