

Subject: NHSS 12 Ecards

Date: 22 11 2022

Lantra would like to notify the Training Provider network that we have been trialing the new Lantra NHSS 12ABCD Ecards. It is Lantra's intention to fully replace the Smartcard by April 2023. Below we have outlined the timeline of the Ecard Launch.

To further aid the Training Provider network, Lantra has put together a short Power Point Presentation for Instructors to deliver at the start of each training course. This will increase awareness for Learners as well as clients about how its Ecards will work.

Any questions, please email NHSS-Highways@Lantra.co.uk

Regards

Lantra
